**WARRANT EXECUTED**

Upon arrival, I entered the property and knocked on the door. The owner's daughters came out, one is named Shakira.

I observed the dog still in an underweight condition, and the dog was chained to his kennel. The dog had no drinking water available.

I asked Shakira to show me the dog's food, she advised that there is no food for the dog. I issued her with the warrant and advised her that I will be confiscating the dog. She began to cry.

I took the dog and loaded the dog into my bakkie.

The dog was taken to Vredenburg Animal Hospital, and was assessed by Dr. Rust. Veterinary report to follow.

Owner has 7 days to claim the dog.
