General Report Comments: I was met by Zack Adam's who is the owner of the black pitbull x male. I asked Zack what happened to the dog,because the Spca has received a complaint that the dog kicked by a horse and that he can't look after the dog. Zack told me that the horse kicked his dog 2 weeks ago. I asked Zack where the dog is and he called the dog Busty. I could not see any open wounds or swelling from the kick,but Zack told me that the dog lost a tooth from the kick. Busy is in fair condition. Water and shelter is provided and the dog is loose on the property . I'm not going to close the case and just monitor how Busty is doing.
