General Report Comments: I did a recheck today and I found that the owner of the dog has not complied with the notice because the neighbors didn't give them the notice. I spoke to Jason who is staying in the property and he said he didn't own the dog but he will notify the owner.
I left the notice to comply for the collar and the running chain and move the dog to a shade area.
And Jason said he will also help the owner for the setup of the dog is will recheck after 7 days.
Water and shelter was observed and the body condition of the dog is acceptable .
