General Report Comments: I did a recheck today and I found that the owner of the dog is has bought the collar but it's big for the dog and he said he wants to make it smaller he must get a shoe maker to stich the collar and he showed me the wire that he got to put the running chain. Water and shelter was observed and the body condition of the dog is acceptable will recheck after 7 days to see if they have made the running chain and sort out the collar.
