General Report Comments: I did a door to door at the property and I saw 1 dog sleeping outside on long rope without a shelter. I arrived at the property and the was no one at home and I left the notice to comply for running chain and and the shelter and always provide water all the times.
As I was to leave the property the owner of the dog came back from the shop and I told him to put water immediately and he did that. I will recheck after 7 days to see any progress.
