General Report Comments: Upon arrival, no one appeared to be home as there was no response to my presence.

I saw the dog still chained as previously seen.

I contacted the owner, who advised that they had a death in the family and could not finish the backyard fence installation, however the posts have been planted, the cement is still busy drying.

He advised that all should be done by next week, then the dog will be moved to the backyard where the dog will be free roaming.

I will follow up next week Wednesday
