General Report Comments: I did a door to door at the property and I saw 1 dog on the street walking up and down and I saw the penis of the dog hanging out and I followed the dog to his house.
I arrived at the property and hope welcomed me to the property and I told her that the dog needs medical treatment for his penis and she said they don't have money for treatment of the dog and I asked her to surrender the dog because I was never going to leave the dog like that and she surrendered the dog NFA.
