General Report Comments: Upon arrival, no one appeared to be home as there was no response to my presence.

I observed that all the dogs now have large ticks on them, indicating to me the owner did not buy Nexguard for the dogs.

I issued a warning:

1. Dip all the dogs, or administer an alternative parasite control method.
2. Prove of this must be sent to me.

Time given till Tuesday, 3 December 2024.
