General Report Comments: Upon arrival, I saw the dog laying in the yard. The husband came out of the house and greeted me.

The dogs, especially the black dog has made a big recovery. All the hair has grown back, no more signs of a dry patch. Both dogs are in good condition with no veterinary or health concerns observed.

The dogs have shelter, water and a clean living area.

Case to be closed as the owner complied and the dogs conditions have improved.

No APA contraventions observed.
