General Report Comments: Upon arrival, no one appeared to be home as there was no response to my presence.

I called the owner, Wesley. He advised that he is at work and did not manage to take the dog for veterinary treatment yet. He will likely be at work till Saturday. I informed the the necessity of his dog being seen by a vet, but he does not seem to see that his dog is in need of treatment.

He said he will not give me his dog and he does not know when he will take the dog for treatment.

The owner had amply time to seek veterinary treatment, but failed to do so causing the dog to suffer intentionally.

I will obtain a warrant to remove the dog
