General Report Comments: Upon arrival, I was met with the owner. She apologized and advised that the one child must have thrown the package away as she cant find it anywhere.

She also advised that she decided to take the dog to the vet at the end of the month, as the dog as a knob (feels like a fat lymph) on her stomach and she is concerned about this. She will only have money at the end of the month to do so.

I will come around in 2 weeks again, to follow up on the skin condition, however it has healed well sofar.
