General Report Comments: Upon arrival, no one appeared to be home as there was no response to my.

I saw both dogs free roaming inside the property.

I called the owner to ask if he is home, he advised that he is currently at work. He stated that he took the dog last week to a vet and the dog was given a deworming tablet and the vet advised that his diet change.

I asked Elricho to provide me with proof of such, he said he will forward the documents to me on whatsapp.

I will await the proof, and thereafter monitor the dog on a weekly basis for the first 3 weeks, thereafter by weekly to ensure there is progress.
