General Report Comments: Don Mabziba the owner let me on the property. Don took me to the back where I observed 1x black Labrador x female Nala on a +- 6meter long chain with a collar around her neck. Water, food and shelter is available. Don told me that the reason Nala is tied it's because she can jump over the fence and then she causes havoc in the streets. Body condition acceptable. Living area is also clean. No welfare concerns noticed. Nfa until further notice.
