| CONFINEMENT OF ANIMALS          | On running chain | Mr. Pieters is waiting on the gates he had made to be installed |

General Report Comments: I was met by Ian Pieters, the enclosure is done and Mr. Pieters just needs to install the 2x gate at the front and back of the enclosure. Semels the terrier x is still on a running chain provided with a collar until the enclosure is finished and he can be let loose. Water, food and shelter is available. Body condition is acceptable. Will recheck.
