General Report Comments: I saw 1x brown pitbull x male on a 1.5 meter chain with a collar. I stopped and the owner came out. The owner introduced herself as Marie Cyster. I asked Mrs. Cyster why the dog is on a short chain and she told me it's because her property is not fully fenced and that the dog called Witpunt is aggressive. I told Mrs. Cyster that the chain is to short and that Witpunt needs to get onto a running chain so that he can have more space to move around. Mrs. Cyster understood and said that she will ask someone to help her with the running chain. Witpunt does have a collar and is provided with water and shelter. Body condition is also acceptable. I issued warning W5590 to install the running chain. Will follow up.
