CONFINEMENT OF ANIMALS Free roaming - in property

General Report Comments: Upon arrival, I saw the dog free roaming inside the property and the dog had a strong material collar fitted.

A woman who identified herself as Denise, the owner's wife approached me from inside the house and advised that her husband is at work. They have decided to have the dog free roaming, however they will still install a runner for when it is necessary to chain the dog.

I will follow up next week with regards to the installation of the runner.
