General Report Comments: I was met by Mr. Pieter Punt at his home. I told Mr. Punt why I am here and about the complaint that the Spca has received. Mr. Punt told me that he never incited his dogs to tease the neighbors dogs. Mr. Punt says that he knows who complained and that the people are new in the neighborhood so when he walked pass their house on the sidewalk his 2x dogs started barking at the dogs in the yard because this is the first time they saw the dogs because they are new in the neighborhood. Mr. Punt also told me that the man who stays there came out and was very rude to him,swearing at him. The 2x dogs in Mr. Punts care are well taken care off and there is no video or photo evidence to back up the complainants allegations. Nfa until further notice.
