General Report Comments: Upon arrival, I was met and granted access to the property by the owner.

I observed the dog at the back of the property on a runner. The runner is well constructed and is about 6m long with a 4m attaching chain. The dog has a suitable material collar with an attaching swivel. The dog has access to drinking water, adequate protection against the weather elements, a clean living area and no veterinary or health concerns were observed.

The owner has complied and the dog's welfare has been uplifted.
