General Report Comments: Upon arrival, no one appeared to be home as there was no response to my presence.

I saw the dog still have a chain as a collar and gave the dog a collar until the owner can find one.
The owner still has time to install a runner.

I messaged the owner to find out when he will be able to buy a proper collar, still waiting on his response. I will follow up Friday regarding the runner, as the warning expires then.
