General Report Comments: I did a recheck today and I found that the owner of the dog has not complied yet. I arrived at the property and I saw spoke to the neighbors who are looking after the house and the dog because the owner is in Eastern Cape.  
I asked if she got my notice last time I was there and she said she never saw it and I explain to her that she must clean the area of the dog and she said she will later. I will recheck after 24 hrs to see if she has cleaned up.
