General Report Comments: New address:
Duyker eiland Gasteplass, Britannia Bay

Upon arrival, I called the number(0720855653) on the board which is on the left hand side of the gate. I spoke with Bernardo and advised the reason for my presence. He confirmed that the horse is stabled with them and advised that I am welcome to have a look at the horse and will arrange for someone to open the gate for me.

As you enter, the horse is in the paddock on top on your right hand side. The horse is looking good, has gained weight and no veterinary or health concerns were observed.
The horse has a friend to keep her company, and they appear to get along well. There is water, roughage and shelter available.

Case can be closed as the horse' condition is no longer of concern. No APA contraventions observed.

I also in formed the complainant.
