General Report Comments: Upon arrival, no one appeared to be home as there was no response to my presence.

I observed the dog free roaming inside the property.

I called the owner who advised that they decided to keep the dog free roaming inside the property, as they fixed the gate in such a way that the dog cant escape anymore and has also not tried to escape or jump the fence since.

The dog has access to adequate shelter, drinking water and a clean living area. The dog is in good condition with no veterinary or health concerns observed.

Case can be closed.
No APA contraventions observed.
