General Report Comments: I saw 1x brown and white pitbull x male on a running chain but the dog did not have a collar,he is tied with the bare chain around his neck. The owner Vanessa Engelbrecht came out and approached me,I told Vanessa that the bare chain around the dogs neck is unacceptable and that the chain could hurt the dogs neck. Water and shelter is available and the dogs body condition is acceptable. Living area is clean. I issued warning W5502 to provide Chico with a collar and I will follow up within 7x days.
