General Report Comments: ACCOMPANIED BY INSPECTOR CARINA BODENSTEIN

Upon arrival, we were met by the owner.

We observed the dog placed on a long runner. The runner is approximately 12m long with an attaching 4m light chain with a suitable swivel attached to the dog's material collar. The have placed the runner in such a way that the dog cant twirl the chain around the poles.

The owner has complied with the warning issued.

There is currently no contraventions of the APA.
