General Report Comments: I did a door to door at the property and I saw 2 dogs on the short chain with no collar and shelter and no water. I arrived at the property and Mr Jacob welcomed me and I asked him why they chained the dogs with shelter in the rain.
He told me that the dogs had a shelter before and they didn't use it and I told him is not acceptable I left him a notice to comply for the collar and the running chain and the shelter and they must provide water all the times. Will recheck after 7 days.
