General Report Comments: The SPCA received a call regarding a horse that is injured due to a brick wall collapsing on the horse. I went out and met with the owner Caroline Meyer, where she then took me to see the horse. I saw 1x black boerperd x mare lying next to the wall, her left hind leg is broken. I explained to Mrs. Meyer that the only thing to do is to humanely euthanase the horse to prevent further suffering. Mrs. Meyer agreed, I then proceeded to humanely euthanize the horse. Refer to admission D8397. Nfa until further notice.
