General Report Comments: I did a recheck today and I found the owner of the dog and she was about to Leave for work. I asked her if they taken the dog to the vet and she said they bought the deworming tablet. She said the vet said they must change the dog food they are currently using because it has low protein and fat. She said they will buy the dog food and they will send the picture of the dog food later she send me the dog food. I will recheck after 14 days to see if the dog has gained weight.
