General Report Comments: I did a recheck today and I found that the owner of the dogs has moved the Rottweiler to the front of his house. I arrived at the property and ms Nikita welcomed me to the property and she took me to the dogs and she said they moved the dog to the front and they used a garage door to make a shelter for the Rottweiler and the the rope is long enough for the dog to move freely.
I left the notice to comply for the owner to provide a long rope for the puppy. And I also suggested that they make a gate and make the 2 dogs loose.i will recheck after 5 days.
