General Report Comments: I did a recheck today and I found that the owner of the dogs has complied they removed the puppy from the rope and he is roaming free from the property and I saw the Rottweiler still on the long rope. I arrived at the property and ms Nikita took me to see the dogs the puppy was free and the Rottweiler was still on the rope and she could move and poop away from the kennel and she is able to drink water and get in and out of the kennel. I still advised that make a gate and make the two dogs free.
