General Report Comments: I responded to complain about the dogs kept on the short chains and emaciated. I arrived at the property and the kids were in the house and they called the neighbors who is also related to the owner of the dogs.
I explained to her why I was there and I aslo told her that is not acceptable to chain the dog like that. I aslo gave an example about how can one eat and sit in the toilet and they saw how wrong they were chaining the dogs.
I left the notice to comply for the running chain and they must provide water all the times and they must clean the feaces around the dogs. Divination told me when is the owner going to be at home. I will recheck after 5 days because the owner will be there.
