General Report Comments: Upon arrival, no one appeared to be home as there was no response to my presence.

I saw the one dog still on the runner and the runner is working well. The dog has access to shelter, water and a clean living area.

As I was about to leave the owner arrived. I asked him about the other dog and he said he gave the dog to his brother that stays in Mamre, Cape Town where the dog has free roaming space.

Owner did comply with the warning initially issued.
