I saw the dog was no longer at the front of the property. I went to the neighbor property to look at the back and saw the dog placed on a runner at the back of the house. The runner is approximately 10m long with an attaching 3m light chain and swivel attached to the dog's collar. The dog has access to adequate shelter in the form of a wooden kennel, the dog had water and a clean living area.

The owner complied with the warning issued.
