General Report Comments: I went to do a welfare check on 3x dogs that escaped the property over the weekend and the complainant wanted the Spca to go check on the dogs welfare. Upon arrival I was met by Rynard Bruytenbacht who is the owner of the 3x dogs. I asked Mr. Bruytenbacht if I can see the dogs and he said yes. We went to the back of the property where I observed 1x male and 2x female Boston terrier dogs. Mr. Bruytenbacht told me that the dogs has escaped over the weekend but he has since fix the fencing so that they can't get out. The 3x dogs is in acceptable condition with a lot of space at the back,they have water,food and shelter available. The 3x dogs are also sterilized according to the owner. No welfare concerns was observed. Feedback was given to the complainant. Nfa until further notice.
