General Report Comments: I saw 1x tan and white female terrier x on a short chain with a collar. Gert Daniel's the owner told me that, Meisie is tied because she can jump over the fence and was almost bitten by a pitbull once, that's why he keeps her on a chain. I explained to Mr. Daniel's that the chain is to short and that he should rather put Meisie on a running chain. Mr. Daniel's understood and told me that he will do so. Water and shelter is available and the dogs living area is clean. Body condition is acceptable. I issued warning W5523 for Meisie to be put on a running chain. Will follow up.
