CONFINEMENT OF ANIMALS Static Chain - inadequate length ** Dog is aggressive

General Report Comments: I did a door to door at the property and I saw 1 dog on a short chain. I arrived at the property and I spoke to Melvin who is the brother and I asked him why they chained the dog like that and he said the dog is aggressive and I told him that is not acceptable they must put the runner for the dog. I left the notice to comply for the runner and I will recheck after 6 days.
