General Report Comments: On arrival at Mr Michael Jacob's place he started shouting and asking why I was at his place. He claimed that there is a lot of dogs running around in the streets but I am only targeting his dog of which I explained to him that he can always report any animals that are in the streets to the Municipal Law Enforcement. He then told me to take the dog as he is not going to comply with my previous Notice to comply. He surrendered the dog and signed the Admission form. The dog's body condition hasn't changed and the living conditions remain the same. There is no animals left on the property.
