General Report Comments: Upon arrival, I was met and granted access to the property by the owner.

I observed 2x dogs kept on static chains. The chains are approximately 4m long. The dogs have access to adequate shelter, water and a clean living area.

Sarie advised that she asked her son to help her but it is like he had no interest and she is physically not able to do it as she is in a wheelchair.

I advised her that I will come and assist her next week to install the runners. Date scheduled for next week Friday, between 11h00 and 13h00.

Sarie was very grateful as she just wants the best for her dogs.
