General Report Comments: I did a door to door at the property and I saw 1 dog on a short chain. I arrived at the property and I knock no one came out few minutes later the son of the owner of the dog came back from school. I told him to tell his Father that the way they chained the dog is not acceptable they must make a runner for the dog and fix the roof of the kennel. I left the notice to comply for the runner and fix the kennel roof and put water all the times. Will recheck after 4 days.
