General Report Comments: It is the property down a gravel driveway with a big metal sliding gate.

Upon arrival, No one appeared to be home as there was no response to my presence.

I observed 4x dogs free roaming inside the property. 3 are small breeds and the pitbull x is medium. The Pitbull x is very aggressive and I could not peek through the gate to see the entire property. The dogs appeared to be in good condition from what I could see and I did not observe any injuries or limping dogs. The Pitbull x appears to be very dominant and runs up to the smaller dogs and pawl over them.

I left a warning for the owner to contact me within 48hrs.
