General Report Comments: Upon arrival, I was met at the gate by the owners wife. She is a foreign national and could not speak much english. I tried to explain as best as I could, and then called her husband.

I spoke with her husband, who could also nor speak much english and I then showed her a a photo of a kennel and that they must get one. She understood and explained to her husband. He will buy one asap.

The kennel structure I saw is self build and seems broken as some of the pallets are missing and the roof is half blown off. There is a large porch section and plenty trees where the dog can seek shelter if needed.

Warning issued:
1. Provide the dog with a kennel
