General Report Comments: Upon arrival, I was met by 3 young boys. The eldeat advised that he resides here but that his mother is currently not home. They were busy setting up a runner, or trying to.
I saw the 2 dogs free roaming and the cage door was open.

The eldest boy advised that he wants to install 2 runners, 1 for each dog and is just planning his setup but should be done soon.

I will come by next week to see what he managed to do.
