General Report Comments: Upon arrival, I was met and granted access to the property by the owner.

The owner immediately pointed out who the complainant is and advised that he was expecting us.

I asked him to take me to the animals so I can inspect their living conditions.

The 1st dog (Anatolian Shepherd) is kept in the front yard on a 4m static chain. The dog has access to a wooden kennel, water and a clean living area. The chain is around a wooden pole. The dog does not have a collar fitted and has a raw chain around his neck.

The 2nd dog (Ridgeback X) is chained at the back of the property. The chain is approximately 4m long. The dog also has a raw chain around his neck as a collar. The dog has a wooden kennel and water and a clean living area.

There are about 4x chickens being kept in a large enclosure with perches, roosting boxes, water and food. The chickens are in good condition with no veterinary or health concerns observed.

Warning issued:
