General Report Comments: I responded to complain about the dog on the short chain with no collar and shelter. I arrived at the property and I knock Mrs jeanay came out and I asked to see the dog that is a short chain. She went inside the house and brought the dog and she said she was cleaning the house that is why the kept the dog on a rope because the property is not having a gate. I told her to put a dog in short rope is not acceptable I advise her to make a camp for the dog while is cleaning she said will do that. I will recheck after 7 days to see if they still keep the dog again in the rope when they clean.
