General Report Comments: I did a door to door at the property and I saw 1 dog on a short rope without a shelter. I arrived at the property and I knock Mrs somaya came out.
I told her that the manner they tie the dog is not acceptable and she saw it and she said they keep the dog the during the day because at night they made the dog loose. I left the notice to comply for the running chain. I told her to move the dog close to shelter they made. When I left the the property they were busy starting to move the dog I will recheck after 6 days.
