General Report Comments: I responded to complain about two thin dogs on a building site. I arrived at the site and there was no one and I left the notice to comply for the owner to contact me ASAP and he contacted me and he made an appointment for 28 November around 9.30am.
I arrived at the site and Mr David was there waiting for me I introduced myself and why I was there. I asked him if is renting the dogs for security and he said no they belong to him.
I asked him to bring the dogs and he brought them one by one he brought the Belgium maliniour and the dog is aggressive he wanted to attack me and he kept the dog on the chain. The dog is not under. He brought the Rottweiler x and he is also in a acceptable condition.
He showed me the food and the shelter. I advise him to regular deworm the dogs NFA.
