General Report Comments: I arrived and asked the people in the street that she sells second hand close next to U-Save. I went to U-Save and found Fernanda and she accompanied me to her house. I saw 3 adult dogs and 2 puppies. The female dog Shakira was on a short chain with a collar and there was water and shelter available. The other female dog named Dodo had 2 puppies and was long running chain with a collar. The 3rd dog named Socks was on a runner but it was too short. I did a Notice to Comply advising Fernanda to remove Shakira from the short chain and also to extend the runner for Socks. Fernanda agreed to surrender the female dog Dodo and the 2 puppies. There are 2 dogs left and I will follow up to see if the extended the runners as instructed.
