General Report Comments: The dog named Fluppy was lying outside the fence next to the road. Felicity agreed with me after I told her that the dog is sick. She informed me that she doesn't have the money for the vet treatment. I observed water and shelter. Felicity didn't want to surrender the dog in the first place but I explained to her the consequences of abusing animals and I explained to her that she was neglecting Fluppy. She then decided to surrender Fluppy. I issued a Notice to comply advising her to in future seek vet treatment for any sick or injured animal in her care or possession.
