General Report Comments: Upon arrival I was met by Mr. Chris Schonken who is the owner of the property. I introduced myself and told Mr. Schonken that the Spca received a complaint about 5x dogs on this property and that there is not enough space for them. Mr. Schonken went inside and put the dogs on the porch so that I can come in, the 2x Daschunds are little ankle nippers he said that's why he put them on the porch. Mr. Schonken son came out who is visiting for the holidays and told me that the 2x Golden retrievers and Daschund belongs to him and his father only has the 2x Daschunds. We walked around the house and there is plenty of space for the dogs. The dogs sleeps I side the house. Water and food was also observed. No welfare issues was observed. I called law enforcement officer, Neil Africa and explained to him the situation, he understood and thanked me for going because he was to busy to go do an inspection. Nfa until further notice.
