General Report Comments: Upon arrival. I was met by ms G. Lewin who is the daughter of the owner.

I introduced myself and advised the reason for my presence. I saw the 1 puppy and suspect that the dog has mange, as his skin condition is rather severe.

Ms Lewin called her mother, the owner (Carol-Ann Raaff) and gave me the phone to speak with her. The owner advised that she is currently working in Cape Town and very seldom home and she asked if she can rather surrender the 2 puppies. I agreed and admitted them.

Case can be closed as the owner does not have any other animals, and no further action is required.
