CHECKLISTS

General Report Comments: Upon arrival I was met by Rochelle who is the owner of the dog. I asked Rochelle where the dog is and she told me that her sister was there on Christmas and they took the dog with them to Elsies river in Cape Town because the have a PDSA there that can help under privilege people .I went with Rochelle inside the house and outside but the dog Chase was nowhere to be found on the property. Rochelle said once they had him at the PDSA she will contact the Spca again to come do a recheck on the dog. Will follow up.
